Re: *United States v. Greg Brown, 23 Cr. 454 (VB)*

Dear Judge Briccetti:

This is a request to the Court to allow Co-counsel James Roth to appear on my behalf at the next status conference scheduled for March 21, 2024, at 11 am. I am a committee member of the Death Penalty Working Group (DPWG), a committee led by the Defender Services and the Administrative Office of the United States in Washington, and we have a meeting in Washington on the 21st.

My client Mr. Brown consents to Mr. Roth appearing on my behalf. Thank you for the Court's time and consideration in this matter.

Respectfully,
Kenneth J. Montgomery
